1. Scope of the Pack

This pack contains documents intended for publication for the free Nodrive Beta, in which file content may be stored only locally or with third-party storage selected by the user. Nodrive Cloud / Hosted is not offered.

2. Included Documents

#	Document	Purpose
01	Terms and Conditions	Beta usage contract; in-app acceptance.
02	Privacy Notice	GDPR, European GCP backend, Google Analytics 4, retention and rights.
03	Beta / Early Access Notice	Beta limitations, backup and recovery.
04	Legal Provider Information	Fiscalbox S.r.l. company details and contact information.
05	Backup, Recovery & Data Loss	Responsibilities and data-protection procedures.
06	Security & Zero-Knowledge	Public security model and limitations.
07	Cookie & Tracking	Google Analytics 4, banner and cookies.
08	Acceptable Use Policy	Anti-abuse and proper-use rules.

3. Documents Not Included in the Current Beta

- Business DPA
- Subprocessor register dedicated to Hosted storage
- Data Portability & Switching Policy for Nodrive Cloud / Hosted

These documents can be introduced when the Business/Hosted service is actually offered and the relevant roles and providers have been defined.

4. Publication Note

The documents reflect the communicated Beta configuration: Google Cloud Platform backend in Europe, no Hosted storage, Google Drive authorised by users through OAuth with a local token, support through info@nodrive.cloud, free Beta, Google Analytics 4 on the website, no advertising/remarketing/newsletters and no formally appointed DPO.
